Fab Frame Wall

Fab Frame Wall

Invisible frame with tensioned fabric banner printed in full colour. Every frame is built to suit your size, available with support feet for a stand-alone display wall, and includes padded carry bag.

- Durable lightweight washable crease resistant fabric banner, printed in one piece so no join lines (up to 3m width)

- Lightweight but strong aluminium frame is assembled with supplied Allen key as the only tool required, to lock corner brackets into frame lengths

(width x height) banner and frame reskin (banner only)

2m x 2m

2.5m x 2.4m

4m x 2m

3x4 Abex Curved Wall

Abex Curved Walls

Portable curved wall with removable graphics, available in range of sizes. Supplied with a sturdy transport case on wheels.

- Full colour graphics produced on durable, rollable, fully opaque backing material

- Shipping case can be converted to a lectern stand with graphic skirt

(size) full unit reskin (graphic only)

3 x 3

3 x 4

BannerBug Media Walls

The retractable banner is protected for transit inside the aluminium base. Setup in less than 5 minutes, with no tools required.

- Includes a padded carry bag and banner can be replaced onto the same stand (no need for new hardware)

(width x height) banner and stand reskin (banner only)
